## WINE by Jane Faulkner

Of the three single-vineyard wines, this is my preferred choice, a blend of sangiovese and cabernet sauvignon, and a good vintage too. Its an amazing dark black-red ink colour with plum and sour cherry notes and a very spicy nose. Those fruit characters follow through on the palate building to a savoury note, juicy and generous with fine dusty tannins.

*The first vintage for this wine a 60-40 blend of Sangiovese and Cabernet, has yielded a rich, currant-laden wine that pick up plenty of earthy and tobacco nuances on the nose. Again, the texture is creamy-smooth, the finish chewy and firm.*
